**A Bill to End
Male Genital Mutilation
in the U.S.**

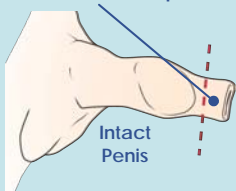

www.mgmbill.org

San Diego, California · comments@mgmbill.org

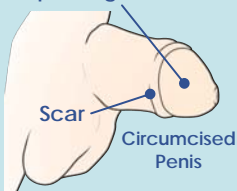

**Resubmitted to Congress and
15 State Legislatures on February 6, 2006**

Circumcision is medically unnecessary and damages a man's sexual function for life.

Sexual nerves are amputated

Exposed glans keratinizes

Shouldn't it be *his* choice?
