Ms. Walters,

Thank you for taking the time to contact me in reference to the possibility of MGM legislation. I am a strong advocate for families making decisions on what they feel is best for their family. I admire you for getting involved in this legislation. I would be happy to help you at anytime but I don't feel that I am the right person to help you sponsor this legislation. Thank you for taking the time to contact me. If I can be of service to you or your family at anytime, please don't hesitate to contact me.

With warm regards,
Nikki
